Thank you, Judy

At the picnic, we recognized all that Judy Pittman has done for Neighbor Ride. Neighbor Ride would not be where it is without Judy's efforts; in fact there may not have been a Neighbor Ride at all. So in Judy's honor, we're planting a Blossoms of Hope tree to commemorate her service and establishing a new award, the Judy Pittman Award for Distinguished Volunteer Service. This award will honor distinguished service, above and beyond what our amazing volunteers do on a daily basis.

50 + Expo October 21, 2011

Volunteers are needed for this Friday event at Wilde Lake High School. If you can help staff our table for 1 ½ hrs between 9-4, please call or send an email to volunteer@neighborride.org. This is our largest opportunity to recruit drivers and your help is greatly appreciated.

We loved seeing all the volunteers and their families who were able to attend the Volunteer Appreciation Picnic on August 21. We thank each of the Board members, volunteers, and the volunteer spouses and friends who helped with the planning, set up, serving, and cleanup. Despite the rain, we were dry inside and enjoying balloon creations, conversations, and Smokey's BBQ
