Neighbor Ride Annual Report FY 2011

Our Mission

Neighbor Ride will decrease isolation and improve the quality of life for Howard County's older residents by providing a reasonably priced, reliable, supplemental transportation service which utilizes community volunteers and resources.

 **Neighbor Ride**
Volunteers Drive - Seniors Thrive[®]

PRESIDENT'S MESSAGE

We've had another wonderful year at Neighbor Ride! Thanks to the generous gifts of time, energy, and resources provided by the best group of volunteers a non-profit could ask for, we're continuing to grow in our ability to serve Howard County's seniors.

In the last year, we provided 11,402 trips for seniors in the community representing a 44.3 percent growth over the prior year. In total, Neighbor Ride has provided over 40,700 trips for passengers since beginning operation in November 2004. Two hundred fifty-nine new passengers registered in FY11 and an additional 106 volunteers were recruited.

I'm pleased to report that we were chosen as the Best of Howard Charity/Non-Profit by the readers of Howard Magazine for the third year in a row. Knowing the variety of wonderful and worthy non-profit organizations here in our county makes that award even sweeter. Our volunteers were further honored as the 2011 Audrey Robbins Humanitarian Award - Volunteer Team of the Year. This recognition was a wonderful and well-deserved acknowledgement of the hard work and commitment of our staff and volunteers.

Neighbor Ride was the beneficiary of a Leadership Howard County - Leadership Essentials Class of 2011 community service project, which helped us identify strategies for recruiting more drivers; and we've just launched a partnership with Rotary International to help us promote volunteering for Neighbor Ride as one of the easiest ways that area Rotarians can put "Service Above Self." We've also continued our business partnership with 1st Mariner Bank, which has enabled us to replenish our signature car door magnets. And, did you notice that this year's Columbia Festival of the Arts brochure again suggested Neighbor Ride as an option for getting to their events?

Looking forward, our attention will continue to be on keeping up with demand for our services. We are very fortunate to live in a county that has so much to offer, and we want to be sure that our seniors have access to every option. We're especially grateful to Ascend One for their support in helping active seniors continue to volunteer in the county, and to our many volunteers who help make sure seniors are able to stay connected and involved.

As we have from the start, Neighbor Ride is committed to a future of improving the quality of life for Howard County's older residents by enabling them to remain mobile, active and independent. On behalf of the Board of Directors, the incredible staff, our wonderful volunteer Drivers and Ride Coordinators, and everyone associated with Neighbor Ride, I am proud to present you with this Annual Report.

Laurie Reuben
President, Board of Directors
