

GIVE THE GIFT OF INDEPENDENCE

Neighbor Ride launched its volunteer-based transportation service in 2004 with the mission to decrease isolation and improve the quality of life for Howard County's older residents. Today, its dedicated volunteers provide an average of 1,000 trips per month for medical appointments, shopping, social outings, personal care and business, religious services, volunteer activities and other day-to-day needs. In the words of two passengers, ***"We have been able to retain our independence because of Neighbor Ride...Thanks so much and God bless."***

You can give seniors the gift of independence by volunteering as a Neighbor Ride driver. Flexible and rewarding daytime, evening and weekend opportunities are available. No set schedule is required. Drivers simply choose to provide rides that are convenient to their homes, offices and daily routines. Parent volunteers are welcome and encouraged to bring their children along for a wonderful intergenerational experience.
